[eaaa.org.au](http://eaaa.org.au)

The Elder Abuse Action Australia (EAAA) is the national advocate for eliminating elder abuse. Funded by the Attorney General's office, EAAA aims to address elder abuse and protect the rights of older Australians at both the grassroots and macro level.

EAAA believes in the rights of older Australians and our actions seek to eliminate elder abuse. Our campaigns, advocacy and policy development positively impact the lives of older Australians and their families, our communities and broader society.

We work with State and Territory bodies and authorities, sharing and co-ordinating information to develop a national understanding, framework and response for elder abuse.

**Our mission:** Be a national voice for action that eliminates elder abuse

**Our vision:** A society that respects and values older Australians, and is free from elder abuse
